UMAP 2017 BRATISLAVA

CALL FOR WORKSHOP PAPERS

April 20th, 2017

Workshop paper submission → ACM Press

acm · sig web · SIGCHI

July 9th, 2017
at FIIT STU, Bratislava, Slovakia

The workshops provide a venue to discuss and explore emerging areas of User Modelling and Adaptive Hypermedia research with a group of like-minded researchers and practitioners from Industry and Academia. We welcome proposals for half-day and full-day workshops. We encourage proposals for a wide range of workshops.

UMAP in the very heart of Europe – Slovakia

- Educational Recommender Systems

- Towards Comparative Evaluation in User Modeling, Adaptation and Personalization

- Human Aspects in Adaptive and Personalized Interactive Environments
